 *) Nur in Längen auf ganze Meter gerundet erhältlich

Attention: Serviceability of products is limited. The cable is glued inside the flexible shaft. That's why a replacement of the capsule is difficult. It may be necessary to exchange the cable as well. Remains of the old cable can be removed with a long drill.

Achtung: Geräte sind eingeschränkt servicebar. Das Kabel ist im Schwanenhals verklebt. Ein Kapseltausch ist daher schwierig. Nötigenfalls muss auch das Kabel getauscht werden. Reste des Kabels können mittels langem Bohrer entfernt werden.
