K 44

The AKG K 44 are cost efficient headphones for various applications, as Project Studios and Home Recording.

These closed-back, circumaural headphones are a true all-round performer with solid bass and clean highs at a value price. The AKG self-adjusting headband, leatherette ear pads and gimballed suspension ensure good comfort. For professional and semi-professional users the K 44 is equipped with a 3.5/6.3 mm stereo adapter.

The K 44 is designed for ambitious and rugged use. The leatherette ear pads are easy to clean.

The K 44 are designed and engineered in Austria.
